GENTLE LEADER® CANINE SOUND DESENSITIZATION

These CD's will be beneficial in exposing the puppy, during its critical periods of development, to **many different sounds** it will encounter through out life. Many dogs develop fearful responses to various sounds, often not occurring until midlife. The CD's can also be useful in assisting desensitization of adult dogs to fearful sounds.

Single CD	Each For 10 or More
\$31.45	\$16.45

For larger quantities, please call PABA directly at 519-685-4756.
